

**"LINC"**

Learning about Interacting Networks in Climate

# LINC Summer School

## Interacting Networks in Climate

April 21 - 30, 2013  
Utrecht, the Netherlands

### scope

climate variability, climate change, nonlinear dynamics, theory of complex networks, networks and climate, nonlinear time series analysis, synchronization

### lecturers will include

Markus Abel (Germany)	Avi Gozolchiani (Israel)	Gerrit Lohmann (Germany)
Marcelo Barreiro (Uruguay)	Shlomo Havlin (Israel)	Cristina Masoller (Spain)
Henk Dijkstra (Netherlands)	Emilio Hernandez-Garcia (Spain)	Manfred Mudelsee (Germany)
Johan Dijkzeul (Netherlands)	Jurgen Kurths (Germany)	Marta Sales (Spain)

### applications

Deadline: February 15, 2013

Student tuition: 850 Euro (incl. accomodation, meals, material, excursion)
